Syrup of Figs, manufactured by the California Fig Syrup Co., illustrate the value of obtaining the liquid laxative principles of plants known to be incidentally laxative and presenting them in the form most refreshing to the taste and acceptable to the system. It is the one perfect strengthening laxative, cleaning the system effectually, disculling colds bendanches and fevers dispelling colds, headaches and fevers gently yet promptly and enabling one to overcome habitual constipation per-maneutly. Its perfect freedom from every objectionable quality and sub-stance, and its acting on the kidneys, liver and bowels, without weakening All trains connect with Louisville Southern or irritating them, make it the ideal

In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other aromatic plants, by a method known to the California Fig Syrup effects and to avoid imitations, please rinted on the front of every package. will generally correct this difficulty. If you will put from one-

fourth to half a teaspoonful in baby's bottle three or four fimes a day you will soon see a marked improvement. For larger children, from half to a teaspoonful, according to age, dissolved in their milk, if you so desire, will very soon show its great nourishing power. If the mother's milk does not nourish the baby, she needs the emulsion. It will show an effect at once both upon mother and child.
